✓ 27. (Unclassified - MMP) LIAISON Bill Ashworth, Senate Foreign Relations Committee staff, called asking whether we have a translation of the 5,000 word Pravda article on SALT that was referred to in Sunday's Washington Post. After checking with FBIS/Liaison [ ] STAT [ ] I told him that it was available through the FBIS wire at the Library of Congress, starting with Item #38. STAT

28. (Unclassified - MMP) LIAISON Terry Finn, on the staff of the Senate Budget Committee, called with a request for a paper, preferably unclassified, on the potential for world oil in 1980. After checking with [ ] NFAC/CSS, I told him that there would be an eventual update (not particularly soon, though) of the April 1977 - International Energy Situation: Outlook to 1985 paper. I asked him whether he received the Bi-weekly Statistical Supplement and after he told me that he did not, I registered his name for subsequent receipt of this publication with [ ] NFAC/CSS. STAT

29. (Unclassified - MMP) LIAISON Talked with [ ] DDO/STATAC, and Frank Conahan, GAO/International Relations, concerning a GAO Narcotics Control Program report on South America. [ ] had asked whether the report had been coordinated, since the Embassy had been informed that the report was about to be published. Mr. Conahan assured me that the report had not been published, but said that it was in the last stages of completion prior to interested agency review. He told me that we could expect the document, for review and coordination purposes, within the next few weeks. I informed [ ] STAT

30. (Unclassified - MMP) LIAISON Received a call from [ ] DIA Congressional Relations, who told me that they had received a request from Representative Robin L. Beard (R., Tenn.) for the coordinated community paper Soviet civil defense. [ ] told me that he was referring Mr. Beard to CIA, since it was [ ] understanding that Community products were for dissemination or review through CIA. He said that he was calling just to let us know what he was saying. I thanked him for the call and said that he was right, that we have received a similar request from Representative Beard and would take care of it. STAT
